November 3rd, 2022

Dear valued customer,

It is with great pleasure that I write to inform you that due to our growing business, we are expanding our facility by moving to more spacious and comfortable surroundings. We will be relocating our main manufacturing facility to 8300 Cypress Creek Parkway Suite 100, Houston, TX 77070. We will begin relocating from our current facility on December 15<sup>th</sup>, 2022 at 5:00 PM (PST) and will finish relocating to our new location on January 2<sup>nd</sup>, 2023 at 9:00 AM (CT). Our office at 22429 Hesperian Blvd., Hayward, CA 94541 will remain open during the relocation.

Your loyal support has helped us grow and made this possible, and we look forward to working closely with you for many more years to change and expand the futures of gene therapy.

Please update your records with our new contact information.

Virovek
